FOR IMMEDIATE RELEASE
10:09 A.M. CDT, November 24, 2015

New City Service to Replace Annual Leaf Pickup

(SEDALIA, MISSOURI): With the establishment of the City of Sedalia's Yard Waste Facility at 28th and New York, citizens are now able to dispose of their leaves and associated yard debris whenever they desire. Since this site is available 24 hours a day/7 days a week, the City will no longer host a Leaf Pickup event in December.

However, if you or someone you know does not have the capability of transporting leaves to the Yard Waste Facility, a leaf pickup request will soon be added to the online Citizens Service Request feature available on the City of Sedalia website: www.cityofsedalia.com.

This online leaf pickup service request will be available starting December 1, 2015 through January 15, 2016. The City asks that your leaves be already bagged and waiting at curbside when you make your request. The leaves will be picked up within seven days (weather permitting).

When: December 1, 2015 through January 15, 2016

Where: City Wide – Missouri

Why: On line service request for citizens unable to utilize the Yard Waste Facility
