

May 22, 2020

The Sedalia Animal Shelter is now accepting volunteers; however, we will need to follow the guidelines listed below:

*All community service and volunteers will need to call ahead and schedule the time that they are coming: (660) 826-5816.

* All community service hours must be done between 8 and noon (as always).

*Dog walkers may help on pleasant-weather days only in order to keep our lobby space free of congestion. They will need to be walking or playing with the dogs outside.

*Volunteers are asked to please come supplied with their own mask and to adhere to social distancing guidelines.
