City of Sedalia Schedules Storm Debris Pick-up

City crews continue working to remove tree limbs and branches from public property and rights-of-way resulting from this morning's storm and high winds to ensure roadways and sidewalks are clear. To assist residents in cleaning up the balance of tree limbs and branches from their private property, residents may take tree debris and vegetation to the City's Materials Management Site. The City's Materials Management Site is located at 27882 Highway U and is open from 7:00 a.m. to 5:30 p.m. The Materials Management Site is open daily, Monday through Sunday, with the exception of City holidays. The next City Holiday is Independence Day on July 4, 2020 when the site will be closed.

Residents, who cannot transport the tree debris to the Materials Management Site, will have a couple of options for pick-up by the City. Residents will need to move tree limbs and vegetative debris to the area between the sidewalk and curb or roadway (not out in the street) in front of their homes for pick-up by City crews over the next couple of weeks. For those residents scheduled for the City's Clean Sweep program (Table below. Note: a map detailing the boundaries of the area can be found on the City's website at www.cityofsedalia.com), tree limbs along with other vegetative debris can be set at the curb for pick-up during the scheduled Clean Sweep week.

Sedalia Clean Sweep Program Schedule

Week of	Area No.	North Boundary	South Boundary	West Boundary	East Boundary
June 8	8	Union Pacific Railroad Line	W. Broadway Blvd.	City Limits	S. Park Ave.
June 15	9	W. Broadway Blvd.	W. 20 th St.	S. Grand Ave.	S. Ohio Ave.
June 22	10	W. Broadway Blvd.	Katy Trail	S. Limit Ave.	S. Grand Ave.
June 29	11	Katy Trail	City Limits	S. Limit Ave.	S. Ohio Ave.
July 6	12	W. Broadway Blvd.	City Limits	City Limits	S. Limit Ave.

Additionally, the City will be picking up tree limbs and vegetative debris from the right-of-way and curbs on Mondays between now and June 29. These pick-up dates will allow residents to have time to get the materials moved to the areas designated for pick-up. Specifically, for residents west of Ohio these pick-up days will be Monday, June 8th and Monday, June 22nd and for residents east of Ohio pick-ups will occur on Monday, June 15th and Monday, June 29th. City crews will be picking up materials at the curb and along the rights-of-way between the hours of 6:00 a.m. and 3:30 p.m.

If you have questions about the storm debris pick-up, please feel free to contact the Public Works Department at (660) 827-3000 ext. 1166.
