2:30 P.M. CDT, Mon., June 17, 2019

EQUIPMENT BREAKDOWN DELAYS WINCHESTER DRIVE CLOSURE FROM W. BROADWAY TO WALMART TRUCK ENTRANCE

The closure of Winchester Drive planned for Tuesday, June 18, 2019 at 6:00 a.m. through Wednesday, June 19, 2019 at 7:00 a.m. has been postponed due to an equipment breakdown. Another Public Service Announcement will be issued prior to the roadway being closed.

The south portion of Winchester Drive from the roundabout to W. 10th Street remains closed at this time. Drivers will need to plan a different route and avoid this area to ensure they arrive at their destinations on time and to assist in keeping congestion to a minimum so these roadway improvements can be made safely.

We apologize for any inconvenience this change in roadway improvements may cause. Please note this resurfacing project is weather and equipment dependent and may be delayed due to rain or equipment issues.

When: Tues., June 18, 2019 through Wed. June 19, 2019

Where: Winchester Drive from W. Broadway Ave. to the Walmart truck entrance south of the store to Remain Open

Why: Street Resurfacing
