ROAD CLOSED TO THROUGH TRAFFIC: WATER LINE IMPROVEMENTS IN THE AREA OF W. 5TH ST. BETWEEN S. VERMONT AVE. AND S. MISSOURI AVE.

(SEDALIA, MISSOURI): The Water Division's contractor is scheduled to complete work in the area of W. 5th Street between S. Vermont Ave. and S. Missouri Ave. beginning on June 19, 2019 through June 21, 2019. The roadway between S. Vermont Ave. and S. Missouri Ave. on W. 5th St. will be closed to through traffic beginning at 7:00 a.m. and continuing through 5:30 p.m. each day to allow for water main improvements, weather permitting. The work on water lines in the area requires placement of equipment that will block the roadway while new pipes are installed. The street will re-open to through traffic on Friday, June 21, 2019 at 5:30 p.m., dependent on weather allowing for completion of the scheduled work.

Drivers will want to avoid this area and use an alternate route to avoid delays.

We apologize for any inconvenience these road closures may cause as we work to improve the City's water distribution system.
