FOR IMMEDIATE RELEASE  
4:30 P.M. CDT, September 5, 2019

## **STREET IMPROVEMENT PROJECTS: CHIP AND SEAL OF STREETS CONTINUES**

(SEDALIA, MISSOURI) The City of Sedalia will continue chip and seal on Sedalia streets next week. The following list provides the streets where chip and seal is planned for the week of September 9, 2019. Motorists are encouraged to find alternate routes on the day work is scheduled for a specific street or plan additional time to arrive at their destination as periodic lane closures will occur as equipment and men are working on the streets.

### **Date: Tues., September 10, 2019**

Plaza Ave. between Wing Ave. to S. Limit Ave.  
Anderson Ave. between Clarendon Rd. to Southwest Blvd.  
Southwest Blvd. between W. 32<sup>nd</sup> St. to Clarendon Rd.  
Brandon Ave. between Plaza Ave. to the dead end  
Brandon Terr. between Brandon Ave. to the dead end

### **Date: Wed., September 11, 2019**

W. 5<sup>th</sup> St. between S. Park Ave. to S. Limit Ave.  
W. Jefferson St. between N. Ohio Ave. to N. Moniteau Ave.

Chip and seal is a process that places a coating of road oil on the existing city street followed by a layer of fine crushed rock or "chips". A roller is then run over the chips to embed some of them into the asphalt and hold the road oil in place. The layer of crushed chips including some loose chips remain on the street to prevent "bleeding" through of the oil to other surfaces, such as vehicles. The remaining loose chips are later swept up, within 7 to 10 days dependent on weather conditions and equipment availability.

We apologize for any inconvenience as we work to improve the street in Sedalia. The work contained in this announcement is weather and equipment dependent, so changes may occur from time-to-time. For questions about streets or to report a pothole or other roadway problem, please contact the Public Works Department at (660) 827-3000 ext. 1166.

When: Sept. 10 through Sept. 11, 2019, weather permitting  
Where: Various Streets in Sedalia  
Why: Lane Restrictions for Roadway Maintenance
