FOR IMMEDIATE RELEASE

1:00 p.m. CDT, Wednesday, September 12, 2018

Garbage and Recycling Cart Distribution Begins Monday, Sept. 17, 2018 – Use Delayed until Nov. 6, 2018

Recycling and garbage carts will begin being delivered on Sept. 17, 2018, weather permitting. All 14,400+ carts are planned for delivery to homes by Sept. 28, 2018. Each household will be provided one 95 or 65 gallon gray cart for garbage and one 95 or 65 gallon blue cart for recyclables. To keep garbage and recycling fees **as low as possible**, we encourage everyone to recycle.

If you have City garbage and recycling collection and have not received your carts by Sept. 28, 2018, please contact the Public Works Department at 851-7636 or 827-7820.

Use of carts is delayed until Nov. 6., 2018. On Sept. 7, 2018, the automated truck manufacturer, McNeilus, notified the City of a further delay in delivering the new trucks. With the late unanticipated change from McNeilus on the trucks, the cart manufacturer was unable to reschedule distribution of carts to homes. Carts will be delivered between Sept. 17 and Sept. 28, but their use will be delayed until Nov. 6 as city sanitation workers will continue to load garbage and recyclables by hand until the new trucks are delivered. We appreciate your assistance as we continue to work to improve sanitation and recycling services in the city.

When : Monday, September 17, 2018
Where : City Wide – Sedalia, Missouri
Why : Garbage and Recycling Cart Distribution
