FOR IMMEDIATE RELEASE
4:30 P.M. CDT, Sept. 14, 2017

NEW SIGNS AND BEACONS: WINCHESTER AVE. AND 10TH STREET

(SEDALIA, MISSOURI): Drivers travelling along Winchester Avenue will see new advance, warning signs and flashing beacons 400 feet from Winchester's intersection with 10th Street. The Speed Limit in this area is 25 miles per hour.

The warning signs provide drivers on Winchester a reminder that vehicles may be crossing at the intersection and to remain vigilant approaching the intersection. Stop signs remain in place on eastbound and westbound 10th St.

For questions about street conditions, street signs or to report a pothole, please contact the Public Works Department at (660) 827-3000.
