Street Maintenance and Roadway Closure

Work will continue in the coming week on roadway base failures along Clarendon Road beginning north of the intersection of Anderson Ave. and ending south of the intersection with Southwest Boulevard. The Street Department will be working in the area from Tues., Oct. 17, 2017 through Fri., Oct. 20, 2017. Clarendon Road will be closed to through traffic in the area between Anderson Ave. and Southwest Blvd. beginning at 6:00 a.m. and continuing through 3:30 p.m. each day.

Work is also planned on roadway base repairs and sealing of cracks along Winchester Drive from West Broadway (U.S. Highway 50) to the city limits. The Street Department will be working in this area from Tues., Oct. 17, 2017 through Fri., Oct. 20, 2017. Periodic lane closures and restrictions will occur in this area.

Motorists traveling through these areas are encouraged to use alternate routes to avoid delays due to congestion during completion of the work.

We apologize for any inconvenience due to this roadway maintenance and street closure as work is completed. Please note that these repair projects are weather dependent and may be delayed due to rain.
