It's Here – First Thursdays 2023!

Did you know that Thursdays are the new Fridays? So often during the warm weather months, people already have activities planned for their weekends (think sports activities, lake plans or simply trying to choose one of many other events to attend). Sedalia Main Streets joins several other downtown organizations now offering something fun to do on your Thursdays instead. First Thursdays are set for each month, April through October between the hours of 5:30 p.m. and 8:30 p.m.

For the April 6, 2023 First Thursday, eighteen businesses have extended their business hours so their favorite customers (you), may shop and explore their stores. In fact, several of the businesses are having special First Thursday promotions for this night only!

Have dinner in one of our wonderful downtown restaurants or take advantage of our three food trucks that will be stationed at The Pavilion at 200 S. Ohio. Tables and chairs will be available for your dining comfort.

Sign up for a session at RAKS Escape Room, test your knowledge at Craft Beer Cellar's Trivia Night or participate in a make-and-take class at Cooney Studio at the Liberty Association for the Arts.

We are so excited to have around a dozen musicians and artists stationed throughout downtown for your enjoyment. Also, make sure to stroll through our 400 Block Vendor area on S. Ohio Avenue between 4th and 5th Street.

Spring Maintenance Tips

We love our downtown buildings but sometimes maintaining them can be a little daunting. Here's some helpful maintenance tips specific to April, May and June along with the estimated time it might take to do them.

After extreme weather, such as an ice storm, inspect building's exterior for damage and the interior for roof leaks. (30 min.)

Inspect interior of building for leaks during first heavy rain of the season (30 min.)

Sweep debris from flat or low sloping roofs (30 min.)

Examine the flashing for a tight fit and proper water shed where any horizontal surface meets a vertical surface. (chimney, parapet, cap, and roof) (30 min.)

Clean out gutters and downspouts, and inspect for damage that might have occurred during freeze-thaw cycles (1 hour)

Inspect base of building for damage caused by salt (15 min)

Welcome to all of our new and expanding businesses!

**“You don't build a business, you build people, then people build the business.”
-Zig Ziglar**

To all of our new businesses who have chosen to invest in our downtown - we're glad to have you as part of our “people”.

Celebrating Business Benchmarks!

Congratulations to all our businesses celebrating milestones! Here's to many more celebrations to come!

***Congratulations to Sonny Broyles with Preuitt Insurance (622 S. Ohio Avenue). He was named the West Central Assoc of Realtors affiliate Insurance Agent of the year!**

***Congratulations to the Sedalia Business Women on their 100 year anniversary as an organization. Many of our business owners in Downtown Sedalia are part of the Sedalia Business Women and we are so glad that they contribute to our district each and every day.**

Pages 4 and 5 are the new downtown business directory we've created for our district. We've made it easy to print and will update it every quarter.

Downtown Networking Opportunity

Thank You... Lolly's Candy Shop for being our first business to host our Downtown Connect social on February 15, 2023! We all had a great time getting to learn more about your store plus we got to explore Rialti's Barber Shop – our first business to utilizing an alley entrance.

Lolly's Candy Shop at 702 S. Ohio Avenue is one of our sweetest additions to Downtown Sedalia!

Trevor is your barber at Rialti's Barber Shop!

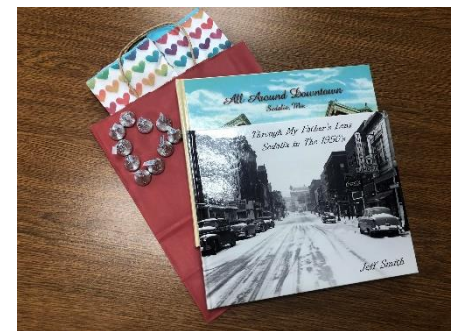

We "moust-ache" you a question... aren't these the cutest moustache cookies ever?

Teresa Gatton with The Art Room at 304 W. Main takes a moment to catch up with Chelsea Kehde with Chelsea's Antiques, 712 S. Ohio.

Jar-cuteries filled with candy!

Congratulations to Bryan Jenkins. He won the gift basket drawing.
