6:00 pm**

You are invited to a public forum to provide input, thoughts, and concerns regarding the outline and first draft of the design guidelines for properties in Sedalia's residential Historic Districts. Please join us on Tuesday, October 29 at 6:00 pm at 200 S. Osage Ave. Sedalia, MO 65301 to comment on the City of Sedalia, Historic Preservation Design Guidelines Project. We will offer a presentation, Q&A, and workshop-style conversation to discuss the guidelines that work and do not work for your home and property. You will gain information about the current draft of the guidelines, and you will have the chance to offer concerns, suggestions, and ideas.

You can download a draft of the guidelines by visiting the Community Development Department website at: <https://www.sedalia.com/connect/departments/community-development/>

Your contributions are an essential part of this public process. There will be one last public forum in early 2025 as the project progresses, so plan to be a part of the process—join us as we guide the preservation of our heritage!

Help promote this opportunity by inviting your peers, neighbors, employees, and coworkers to the public forum. This is an exciting time for members of our community – imagine being able to influence the future direction of your own city!

IF YOU HAVE SPECIAL NEEDS, WHICH REQUIRE ACCOMMODATION, PLEASE NOTIFY JASON MYERS, (660) 827-3000 EXT 1110.
