

# ADDENDUM NUMBER 1

**SEDALIA, MO**  
COME GROW WITH US

**Title:** CDBG Sidewalk Improvements  
**Owner:** City of Sedalia, Missouri  
**Engineer:** Wilson & Company, Inc., Engineers & Architects

ISSUE DATE: **December 3, 2025**

Bidders are hereby notified of the following changes, additions, modifications, information and clarification for the above project, for which Bids are to be received on Monday, **December 8, 2025**, at 2:00 PM are amended as follows:

## **QUESTIONS AND CLARIFICATIONS**

1. Is there a traffic control plan for this?
  - a. *Per General Note #7 in the Plans and Special Conditions #3 in the Project Manual, the contractor is responsible for developing a traffic control plan for the project and submitting it to the City for review prior to commencement of work.*
2. I don't see a top elevation for the two JCT 4x4 boxes.
  - a. *The junction boxes are to be per Sedalia Standard Detail 1.206. The lids of these two boxes shall be below the bottom of the curb and utilize an "Optional Top" for the manhole and cover above the lid. The rim elevation of the manhole for the northwest corner of 5<sup>th</sup> and Emmet is 915.30. The rim elevation of the manhole for the northeast corner of 5<sup>th</sup> and Emmet is 915.60.*
3. In section 1 of the Instruction to Bidders it states that, Three (3) originals of all signed documents and forms shall be included with the submission. Does this mean that there must be original signatures on all pages requiring a signature and because we cannot detach pages that we need to submit three copies of the full 218 pages with the bid?
  - a. *These are the standard requirements of the project manual.*
4. In section 12 of the Instruction to Bidders it states that, None of the instructions to bidders, bonds, proposal, contract, or specifications shall be detached from the bound copy before filing the bid with the City Clerk. So I assume this means that all 218 pages must be submitted with the bid, is this correct?
  - a. *These are the standard requirements of the project manual.*

## **PLANS**

1. Sheet 13 – added rim elevations for the two junction boxes.

## **PROJECT MANUAL**

1. The time of completion detailed in the Proposal section is revised from 60 calendar days to **90 calendar days**.
2. The federal wage determination is replaced with the attached pdf.

**NOTE: Bidders must acknowledge receipt of this Addendum by listing the number and date, where provided, on the Proposal.**

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

#### Union Rate Identifiers

A four-letter identifier beginning with characters other than ""SU"", ""UAVG"", ?SA?, or ?SC? denotes that a union rate was prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2024. PLUM is an identifier of the union whose collectively bargained rate prevailed in the survey for

this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

#### Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE: UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

#### Survey Rate Identifiers

The ""SU"" identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

?SU? wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

#### State Adopted Rate Identifiers

The ""SA"" identifier indicates that the classifications and

prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the ?SA? identifier took effect under state law in the state from which the rates were adopted.

#### WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

- a) a survey underlying a wage determination
- b) an existing published wage determination
- c) an initial WHD letter setting forth a position on a wage determination matter
- d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to [davisbaconinfo@dol.gov](mailto:davisbaconinfo@dol.gov) or by mail to:

Branch of Wage Surveys  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to [BCWD-Office@dol.gov](mailto:BCWD-Office@dol.gov) or by mail to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2) If an initial decision has been issued, then any interested party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Requests for review and reconsideration can be submitted via

email to [dba.reconsideration@dol.gov](mailto:dba.reconsideration@dol.gov) or by mail to:
