Temporary Dumpster Rentals

Have extra junk to get rid of? Rent a temporary residential roll-off dumpster in the size you need. Call (660) 827-7820 between 7:00 a.m. and 3:30 p.m. to schedule delivery and pickup.

Bulky Item Pickup Service

Need to get rid of large items that won't fit in your trash cart? Schedule a pickup for appliances, furniture, or other oversized household items by calling (660) 827-7820.

Weekly Collection Reminders: Face the cart with the wheels and handle toward your house and keep the lid fully closed. Leave at least 3 feet of space between your cart and mailboxes, poles, fences, parked cars, or another cart. Bag all trash to help prevent litter. Do not put yard waste, hot ashes, liquids, construction debris, hazardous waste, or electronics in the cart. Do not overfill the cart; if the lid cannot close, it may not be collected. Bring your cart back from the curb after collection. Use Bulky Item Pickup or rent a temporary dumpster for items too large for your cart. Holiday weeks may change your pickup day, so check the schedule above. During snow or ice, place carts where plows will not block them.

Collection Reminders: Place all materials at the curb or between the sidewalk and street in the greenspace, away from trees and overhead lines, by 5:00 a.m. on Monday of your scheduled Clean Sweep week. Each household may place up to 4 cubic yards of material for free; anything over that amount will be charged \$41 per cubic yard, to be paid before pickup. Materials should be grouped by type: yard waste includes leaves, branches, brush, stumps, and plants; construction and demolition debris includes wood, drywall, carpet, siding, pallets, and windows; household junk includes furniture, clothing, toys, grills, and mattresses. Appliances are not allowed in the landfill and must be kept separate for proper disposal. This includes refrigerators, washers, dryers, stoves, and air conditioners.
