A Map of Clean Sweep Collection Areas is available on the City website at:

<https://www.sedalia.com/connect/departments/public-works-infrastructure/sanitation-recycling/bulk-waste/clean-sweep/>

All materials need to be placed at the curb or between the sidewalk and street in the greenspace away from overhead lines, poles, trees, mailboxes and vehicles by 5:00 a.m. on the Monday of the area's Clean Sweep Week. Sanitation crews will spend the week collecting and disposing of the materials for that area. In order to ensure all your items are picked up we ask they are placed into the following segregated piles.

<b>YARD WASTE</b> -vegetation, plants, tree debris, branches and leaves, bushes, brush and tree stumps. Please keep branches under 6 ft. in length & no larger than 18 in. diameter	<b>CONSTRUCTION &amp; DEMOLITION WASTE</b> -carpet, carpet pads, lumber, dry wall, siding, treated patio lumber, pallets, old windows, and screen doors
<b>UNWANTED JUNK</b> -old furniture, grills, mattresses, patio furniture, outdoor toys, etc.	<b>APPLIANCES</b> -refrigerators, microwaves, stoves, washers/dryers, air conditioners, dishwashers. <b>MUST BE IN A SEPARATE PILE</b>

\*\*\*\*\*TIRES OR HAZARDOUS MATERIALS WILL NOT BE ACCEPTED\*\*\*\*\*

DUMPSTER RENTAL	BULKY ITEM PICK-UP
The City of Sedalia currently offers 2 yard, 4 yard, 10 yard and 30-yard dumpsters for 3-week rentals (time begins when dumpster is set). No yard waste, tires, concrete, brick, appliances, hazardous waste, or over filling allowed.	The City of Sedalia offers a fee based bulky item trash pick-up for those large items not fitting into your trash carts, but do not require a dumpster rental.

PLEASE CALL (660)827-7820 BETWEEN 7:00 AM AND 3:30 PM TO DETERMINE WHAT SUITS YOUR NEEDS BEST.

A huge thank you to the hardworking crews at the Street Department for their dedication to keeping our roads safe throughout the winter season. Whether it's plowing snow, spreading salt, or ensuring icy patches are taken care of, their efforts make it possible for residents to travel safely even in the harshest conditions. Their commitment, often requiring long hours in freezing temperatures, does not go unnoticed, and we truly appreciate their service to the community.

We also extend our gratitude to the Water Department for their tireless work in maintaining and repairing water lines during extreme cold. Freezing temperatures can cause pipes to burst, disrupting essential services, yet these dedicated workers brave the elements to ensure water continues flowing to homes and business. Their quick response and skilled repairs prevent major issues and keep our community running smoothly. Thank you for your hard work and commitment to public safety and well-being!

# THANK YOU
