### NEWSLETTER FOR THE CITY OF SEDALIA

It's pothole season, and the **City of Sedalia Missouri** is asking for your help — and rewarding you for it! We're excited to launch our first-ever Hole Lotta Love Campaign, a fun and community-driven effort to patch up potholes all across town.

#### Here's how it works:

See a pothole on a Sedalia city street? Snap a photo, upload it through our Woobox portal along with the location or GPS coordinates, and you'll be entered for a chance to win a \$50 gas gift card! The picture helps us assess what tools we'll need to bring in advance. Our Public Works team will take it from there — bringing the right equipment to get the job done faster and better.

Each Monday, we'll draw a random winner from the entries received. We'll keep drawing until all our gift cards have been awarded!

#### How to Participate:

- Like our Facebook Page.
- Find a pothole located on a City of Sedalia public street.

- Upload a photo and include the location or GPS coordinates.
- Submit your entry through Woobox by May 31, 2025.
- Limit one entry per person per day.

#### A few reminders:

1. A pothole is a hole or depression in the pavement surface — simple cracks do not qualify.
2. The contest is open to Sedalia residents 18 and older; City employees are not eligible to win.
3. Winners must respond within 48 hours to claim their prize.

Let's work together to show Sedalia's streets a Hole Lotta Love this season! Your eyes and your entries will help us make a real difference—and you could walk away with a little extra gas money, too.

## SHOP LOCAL

*Let's Cross Paths*

Mother's Day is Sunday, May 11<sup>th</sup>! Don't forget to shop and get something for that special mother in your life. When looking to purchase something you might consider "Shopping Local" for that gift or give a gift certificate to her favorite local shop, restaurant, boutique or flower shop! Remember that when you support a locally owned small business, you support someone's dream! When you support a locally owned small business you support your community. The more money kept in our community the more people it helps within our community! It's said that every small purchase makes a big difference to a locally owned business. It's your neighbor and your community that you are supporting, not the CEO of a major corporation. You are keeping your money where it's needed most, locally! So come out and support your friends and your neighbors and in turn your community!
