

PUBLIC WORKS DEPARTMENT HELPS RECERTIFY WHITEMAN SQUADRON

MONTHLY NEWSLETTER FOR THE CITY OF SEDALIA

TSgt. Hollopeter with the 509th Civil Engineer Squadron at Whiteman Airforce Base contacted Dave Gerken, Collections Foreman, with the City of Sedalia’s Public Works Department to help his squad become recertified on the dual motor combination vac truck. The Squadron doesn’t have a truck of their own and Dave and his crew were honored to be of service to our Airmen.

Dave Gerken, Frankie Vanderpool and David Purl assisted in training the airmen on the different functions of the truck. The truck uses Hydro excavating (water to cut the ground at 7000 psi and using the vacuum to remove soil). The airmen were also trained on using the water jetting portion of the truck and vacuum system.

Dave said they also showed the Squad their camera system which is used to inspect the underground piping (sanitary sewer pipe, and stormwater pipe). They did not need the certification, but were very interested and impressed with the functions and set up of the system.

Dave Gerken had the following to say about working with the Squadron: “We had an awesome time, and were honored to be asked and look forward to future training sessions with them. I was very impressed with their enthusiasm and their professionalism.”

VISION STATEMENT

Dynamic life and
Comfortable living in
Greater Missouri

MISSION

The City of Sedalia is committed to meeting the needs of our community through professional leadership and operational excellence.

We deliver efficient, quality municipal services, create opportunities for growth and protect the quality of life that makes our community a desirable place to live.

BARK IN THE PARK

Bring your furry friend out to Liberty Park on September 9th from 11am-4pm and enjoy lots of booths/vendors for your pup as well as stay educated on pet dos and don'ts! This event is free. There will be a silent auction throughout the day in which all proceeds will go to the Sedalia Animal Shelter and other participating rescues.

THINGS THAT GO

Join us for a day of fun exploring trucks and other vehicles of all shapes and sizes. Kids can admire, wander around, climb on, and sit in all the vehicles on display. We have partnered with United Way to make this event spectacular! See you there-- September 30th- Liberty Park- 9am-1pm.

LIFEGUARD OF THE YEAR

We would like to congratulate Aubree Huddleston for winning Lifeguard of the Year. Aubree is a first year lifeguard for SPR. She has wonderful customer service skills and a positive attitude. She is very vigilant and has had multiple saves this summer. Aubree is continuously improving her lifeguarding skills to stay rescue ready. She keeps the pools safe and clean and we are so happy to have her on the TEAM!
