Trash Info & Reminders

Trash carts must be set at curb by 5:00am on collection day.

Residential trash is picked up once a week, usually Tuesday through Friday, except during holiday weeks. Check the Trash Collection Days Map to find your pickup day. Carts must be at the curb by 5:00 a.m. You may set them out after 4:00 p.m. the day before. Trucks cannot return for missed carts.

Placing Your Trash Cart

- Leave at least 4 feet between each cart so the truck can lift it safely.
- Do not place carts beside cars, mailboxes, fences, utility poles, or under low branches.
- Carts must be close enough to the street for the truck arm to reach. Crews cannot move carts.

Filling Your Cart

- Do not overfill the cart. The lid must be fully closed, with no bags on top or hanging out.
- All trash must be inside the cart. Items on the ground will not be picked up.
- Yard waste and building materials are not allowed.

Leaves, branches, and brush may be taken to the Sedalia Compost Facility, 27882 Highway U.

Why Your Trash May Not Be Picked Up

- A vehicle or other object was too close to the cart.
- The cart was too far from the roadway for the truck arm to reach.
- The cart was not placed out on time.

Items Not Allowed in Trash Carts

- Appliances (not allowed in the landfill)
- Electronics
- Paint, oil, chemicals, batteries, or other hazardous waste
- Loose construction materials
- Any yard waste

If you are unsure about an item, call the Sanitation Division.

Trash Cart Repairs & Responsibility

- Trash carts are City-issued and assigned to each home by barcode.
- The City will repair or replace carts damaged through normal use (broken lids, wheels, or axles).

Holiday Schedule

Trash pickup may change during holiday weeks. Check the Holiday Trash Schedule and watch for announcements from the City for any temporary changes.
