This play time will be hosted 11:30am - 1:30pm on Monday, Wednesday and Fridays. It will also take place the 1st and 3rd Saturday of each month at the Heckart Community Center. This is NOT a drop off program - an adult must stay with the child during play time.*

## Downtown Mural

“Here’s lookin’ at you”...even though it’s created in paint, doesn’t this eagle’s stare stop you in your tracks for just a second? Progress is continuing on the Smith & Cotton Mural and we’d like to use this opportunity to share with you pictures of the art as it begins to take shape and to thank those who are responsible for its creation!

The City would like to thank Julie and Harry Hoffert, owners of Stone Laser imaging at 209 S. Ohio for allowing the new mural to be placed on the south side of their building, formerly the Smith & Cotton building, and Robert and Barbara Hayden for donating additional funds to make the mural larger!

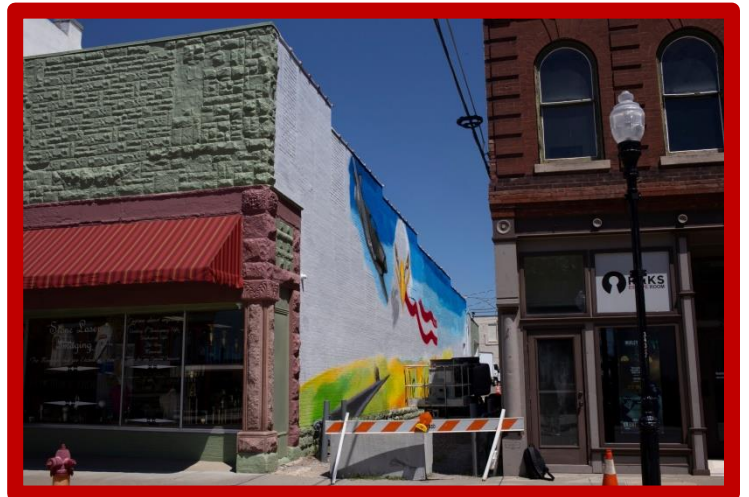

This project is made possible by a grant from Missouri Main Street Connection and the Missouri Humanities Council through the American Rescue Plan Act (ARPA) with support from the National Endowment for the Humanities.
